Re: Ex Parte Notice, CC Docket No. 02-33

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, CompTel hereby gives notice that on August 4, 2004, its representative had separate telephone conversations with Chairman Kevin J. Martin, Commissioner Michael Copps, and Commissioner Jonathan Adelstein. In these meetings, CompTel discussed the issues of concern explained in its July 28th letter to Chairman Martin in this docket. Specifically, CompTel asked the Commission to clarify that a re-classification of the regulatory framework for high-speed Internet service from a telecommunications service to an information service does not exempt the incumbent LEC from any Title II obligations that otherwise attach to the facilities of the incumbent LEC, or any Title II obligations associated with any other transmission services provided over those facilities. Representing CompTel was Earl Comstock, CEO, CompTel.

Sincerely,
